

Mr. Lumumba,

My name is Edie Johnson Jr. I am writing in concern of a case my sister has been in the care of Mr. Curtis Flowers. My sister was a witness in that case. Well I had my sister to lie on stand. It started at the County jail. I had a loan to pay off and I didn't have the money. So I told her to tell the police she knew who committed those murders. So she could get that 30,000 dollars and get me out. My Sister loves me like I am her child. She do for me when others don't. I'm truly sorry everything happen this way. I never thought Curtis would be found guilty. till I was thinking about it that time ever myself.

Mr. Lumumba I'm willing to do anything in my power to make up for what I did. I'm truly sorry for what me and my sister did. I was trying to get out of jail and that was the only way, I had, so I did it and I'm still back up. One again, if I can do anything please let me know. My sister is a born liar. She is the worstest child my Mother have. She just don't do nothing for money.

Mr. Lumumba I hope that I can be of some use to you. A few thought things would of set out if I had been there. Thanks for listening.

Sincerely,  
Edie Johnson Jr.
